

The background of the image is a photograph of a sunset or sunrise over a mountain range. The sun is a bright, glowing orb in the center, partially obscured by dark, silhouetted clouds. The sky is a mix of deep blue and golden yellow. Overlaid on the sky are several white, stylized stars, each with a four-pointed star in the center and a thin circular outline. The mountains in the foreground are dark and silhouetted against the bright sky.

Perhaps they are not stars,
but rather openings in heaven
where the love of our lost ones
shine down to let us know
they are still with us.
